[www.wse.org.uk](http://www.wse.org.uk)

Welcome to the June copy of Opportunities Abroad.

This issue has over 380 jobs from over 46 development, aid, faith-based agencies and commercial recruiters specialising in international aid and development.

As always, we list basic information about each vacancy; a job title, a brief description, country of placement and an agency code. If you meet the criteria or wish to know more about the vacancy contact the agency direct, simply look up the agency code on the back pages. Please remember to mention *Opportunities Abroad* when you contact them! If you have Internet access then you may benefit from visiting the agency web site, new jobs are often advertised there first or through their newsletter.

We also produce an UpDate of new jobs between this monthly copy and it is available via our web site. To find out more about subscriptions please visit [www.wse.org.uk](http://www.wse.org.uk)

You can see new jobs at our web site on the international development jobs page.

#### **Internship - Uganda**

The successful candidates will undertake a four month placement, and will be involved in all aspects of the charity's work on the ground. Interns will work closely with the charity's Regional Director in his work with children on the street as well as on site at the charity's foster home. Interns will also be expected to help at the charity's link school, particularly assisting the teachers with (but not limited to) music, art, sport, debating and homework clubs. As a relatively new charity, S.A.L.V.E. International offers the chance for very real experience, and the opportunity for interns to bring their own ideas to the table. We are looking for enthusiastic, dedicated applicants with a can-do attitude who are not afraid to get stuck in with any sort of work. There will be many duties within the local community, and we expect the successful interns to act as ambassadors for the charity, whilst also being happy to carry out a certain amount of administrative work behind the scenes. Please go online to [www.salveinternational.org](http://www.salveinternational.org)

**Jinja, Uganda** 29/6/2009 \*

**Islamabad, Pakistan** 16/6/2009 CHF/USA

**Coordinator - Risk Management**

The desired candidate should have the following profile: A post-graduate degree in a relevant area. Field experience in disaster preparedness, seismic-resistant construction technology, disaster-related early warning systems, operational research in the fields of vulnerability assessments, risk reduction, disaster response and GIS mapping would be very desirable. Direct personal experience of past earthquake emergency programmes in both rural and urban environments. Proven managerial and leadership skills to be able to lead a small, multidisciplinary team of professionals in building a knowledge base on seismic issues in high mountain areas, and creating practical activity plans to address the issues of disaster-preparedness, emergency response and seismic resistant construction. Existing contacts with relevant research and policy bodies on seismic risk and the environment would be advantageous.

**Tajikistan** 30/6/2009 AKDN

**Deputy Operations Manager**

The post holder will be required to ensure the safe and efficient organisation and scheduling of MAF aircrew and aircraft whilst making sure that the operations comply with applicable standards, legislation and safety policies. They will additionally support the performance and development of the Operations Team. Applicants who have had held operations appointments in commercial or military aviation would be preferred along with those that hold or have recently held at a minimum a Private Pilots Licence or have been military aircrew. Flexibility, service orientation and good communication skills are a requirement of this post along with experience of management capacity.

**Dodoma, Tanzania** 20/7/2009 MAF

**Energy Specialist**

Requirements: A university degree in engineering, economics, business administration or related fields; preferably at post-graduate level or its equivalent. Relevant Experience: Suitability to undertake the responsibilities mentioned above at the required level; At least 10 years of relevant professional experience in the energy sector; Able to perform work independently in own field of specialization, equipped with knowledge and experience of multiple discipline; Excellent oral and

written communication skills in English; International experience working in development. **Ref: EXT-PS08-173(2)**

**Philippines** 10/7/2009 ADB

**ERP - Wat/San & Shelter Engineer**

Essential Requirements: A suitable qualification in public health, civil or mechanical engineering, with experience in public health engineering in a developing country. Ideally some of this experience will have been in an emergency situation. Experience can substitute for qualifications but not vice versa. Experience in public health engineering and/or civil engineering assessments and monitoring in the design of interventions. Ability to write clear and well-argued assessment and project reports. Experience of preparing successful funding proposals for donors. Desirable Language skills: French, Spanish or Arabic. **Ref: 5192**

**Worldwide** 29/6/2009 SCUK

**Experienced Pilot**

Required: An International Civil Aviation Organisation (ICAO) based Commercial Pilot Licence (CPL) with appropriate aviation medical certificate is the minimum-licensing requirement for all pilot positions. Experienced pilots will carry out flying duties under the leadership of the Chief Pilot. These pilots are required to have a minimum of 1000 hours total flight time (which includes 500+ hours PIC) with appropriate experience or ratings as necessary. This could include experience on multi-engine or turbo-prop aircraft in order to operate our Cessna Caravans. An instrument rating is usually required to fly these more complex aircraft. Pilots are usually required to spend some nights away from base each month to complete planned flights.

**Various** 30/6/2009 MAF

LIST OF AGENCIES

- If you have the essential experience and qualifications contact the relevant agency for further details. Note any application details that appear in the advert. Do not send your CV unless requested.
- Check the advert to see if any vacancy reference code and/or a contact name has been given, if so make sure that you mention those along with which edition of *Opportunities Abroad* you saw their advert.
- most agencies list their new jobs on their websites.
- Please note that work permits are required for UK-based posts by all non-EC nationals. The UK Department of Employment will only issue work permits in exceptional circumstances (e.g. for highly specialised or rare technical posts) and then only for limited periods. This is also true of the employment policy of an increasing number of countries.
