LIST OF AGENCIES

- If you have the essential experience and qualifications contact the relevant agency for further details. Note any application details that appear in the advert. Do not send your CV unless requested.
- Check the advert to see if any vacancy reference code and/or a contact name has been given, if so make sure that you mention those along with which edition of *Opportunities Abroad* you saw their advert.
- Most agencies list their new jobs on their websites.
- Please note that work permits are required for UK-based posts by all non-EC nationals. The UK Department of Employment will only issue work permits in exceptional circumstances (e.g. for highly specialised or rare technical posts) and then only for limited periods. This is also true of the employment policy of an increasing number of countries.
